

The City of Crown Point is pleased to announce the launch of the *Blackboard Connect* service, our new city-to-resident notification system. With this service, city leaders can send personalized voice messages to residents and businesses within minutes with specific information about time-sensitive or common-interest issues such as emergencies and local community matters. The *Blackboard Connect* service will be used to supplement our current communication plans and augment public safety/first responder services.

Please accept our invitation to participate in this great service. We know that your personal information is important, and rest assured that we will not share it with anyone. If you have **NOT** already received a test phone call from us, or you would like to provide additional contact information, click the *Blackboard Connect* image to sign up.
